

iPad 2 User Agreement

As a student at East Richland Middle School I understand that I am being issued an iPad 2 mobile device with a case and a carrying bag and that I am responsible for the care and safe keeping of these items. I also understand that these items are for school use and therefore will require me to abide by a certain set of rules pertaining to these items. **(Such rules are listed below and explained in further detail at erms.ercu1.net.)** By signing below I agree to abide by these rules and care for these items to the best of my ability.

The bag, the case, the iPad 2, and all software, applications, and documents stored on the iPad 2 are the property of East Richland Community Unit #1 and East Richland Middle School. Therefore, **all are subject to review and monitoring at any time** at the discretion of school faculty, staff, and administration.

Use of the iPad 2 is a privilege that can be revoked at any time. Possible causes for a revocation of this privilege are as follows:

- Improper handling, transporting, storage, or care of the device, case, or bag
- Sharing of the device (allowing others to use, handle, or transport)
- Failure to pick up/dock the device at the appropriate time or location
- Violation of a teacher's specific classroom rules/policies in regards to technology
- Violation of the ERCU #1 Technology Acceptable Use Policy
- Any other activity that is deemed inappropriate, careless, or destructive by ERMS faculty/staff

Students committing these types of infractions will receive a Technology Violation (TV) and be subject to progressive discipline outlined at erms.ercu1.net.

Loss, theft, or damage of an iPad 2 should be reported to school personnel immediately. Should the loss, theft, or damage be determined to have occurred due to a Technology Violation, that student will be responsible for the replacement or repair costs associated with that iPad 2. A break down of costs for replacement/repair of an iPad 2 can also be found at erms.ercu1.net.
